Please measure text box on each template page before cutting to ensure templates have printed the correct size!

CUTTING INSTRUCTIONS

TIP;Pre-cut the check fabric into strips, selvedge to selvedge across the entire width, to reduce wastage and achieve best results. Cut (if necessary with scissors for precision!) on the lines as indicated, then sort into **identical** strips. The placemats feature the Dark Red centre stripe, the Runner uses the Green centre stripe.

SEWING INSTRUCTIONS

Placemats: Make four Blocks.

To make one Block:

Foundation Piece four A.

Cut one B from Spraytime G09.

Cut four C from 102 Tiny Star cream.

Lay out all pieces and assemble, following Diagram 1.

Add Borders:

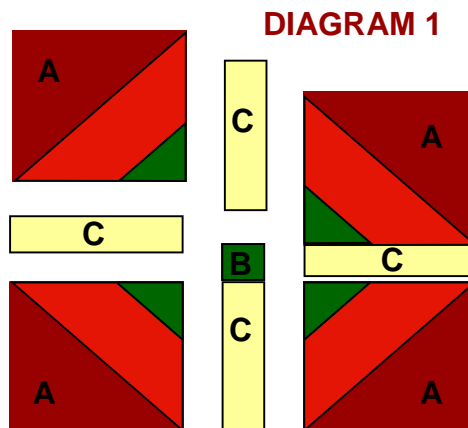

From the pre-cut Check (Dark Red centre) strips, cut two identical lengths measuring 10".

Trim the width at either side, to achieve a width of 1¼", featuring the centre print as seen in the illustration.

Sew the strips to the sides of the block, taking a ¼" seam allowance.

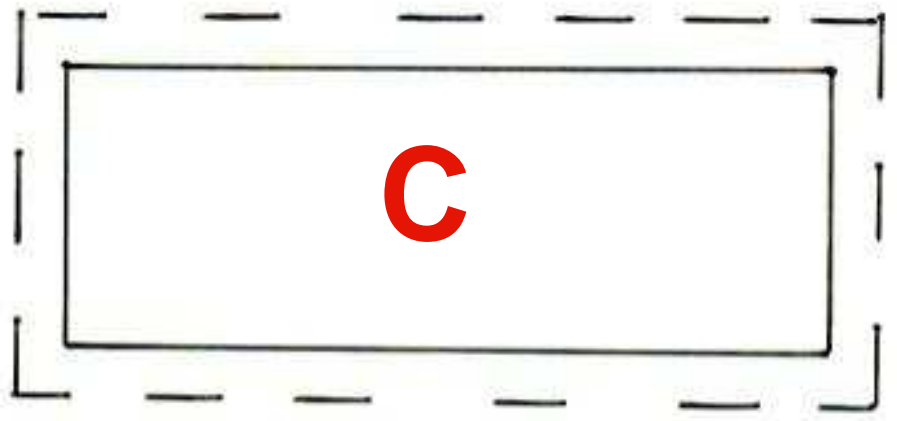

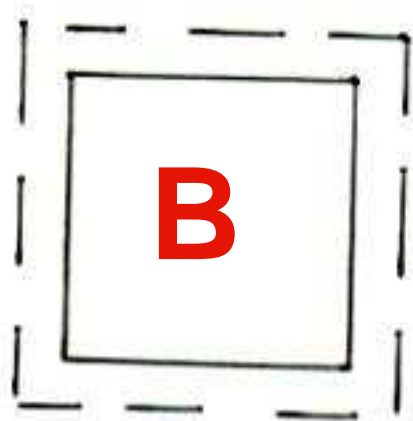

Cut two identical lengths 11½", trim as before and sew these to the top and bottom of the block.

Layer with wadding and backing, quilt and bind.

Runner:

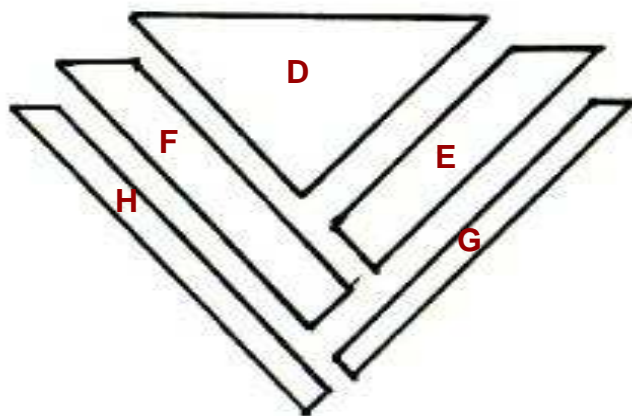

Make three Blocks as before.

Make the Setting Triangles:

Cut four D, four E, four F, and from the pre-cut Check (green) strips, cut four H and four G, taking care to feature the centre print as before. See illustration.

Lay out all pieces and assemble, following Diagram 2.

**Diagram 2 Setting Triangles

Make the Corners:

Cut four K, four L, and from pre-cut Check (green) strips, cut four M, again taking care with the print on the fabric.

Lay out all pieces and assemble, following Diagram 3.

**Diagram 3 Corners for Runner
Make 4**

Now lay out all Blocks, setting triangles and corners and assemble diagonally, following Diagram 4.

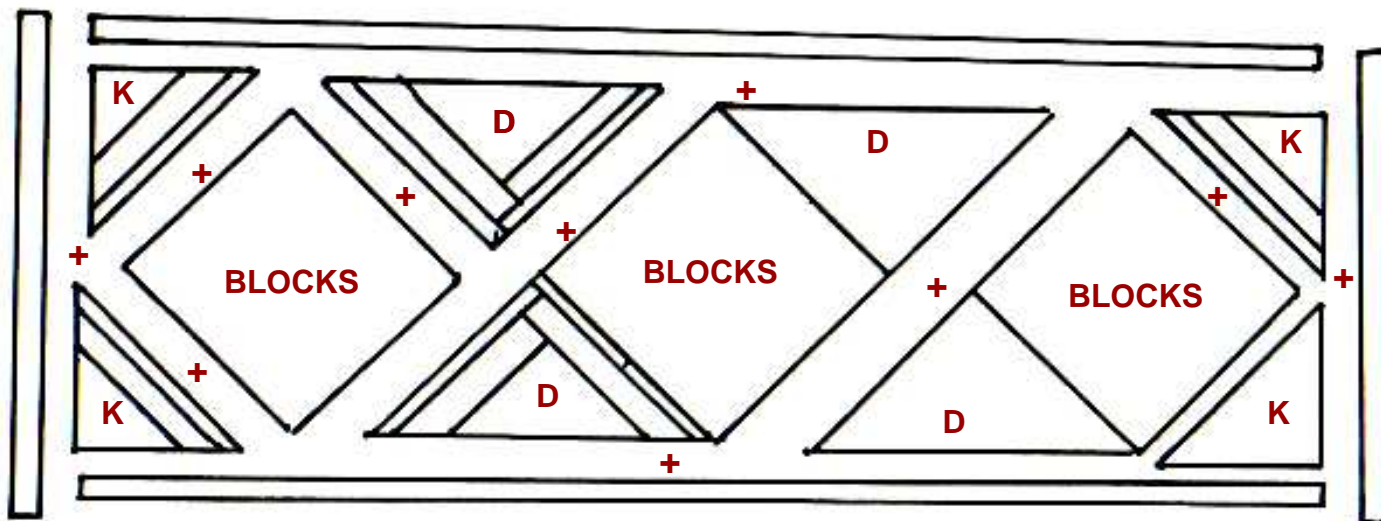

Add Borders.

From the pre-cut Check (green) strips, take 2 long lengths (measuring the width of the fabric as pre-cut) and trim the sides as before for Placemats.

Sew the strips to the top and bottom of the Runner with the centres matching, taking $\frac{1}{4}$ " seam allowance.

Cut the surplus fabric ends from the sides.

Cut two identical lengths measuring $15\frac{1}{2}$ ", trim as before and sew these to the sides.

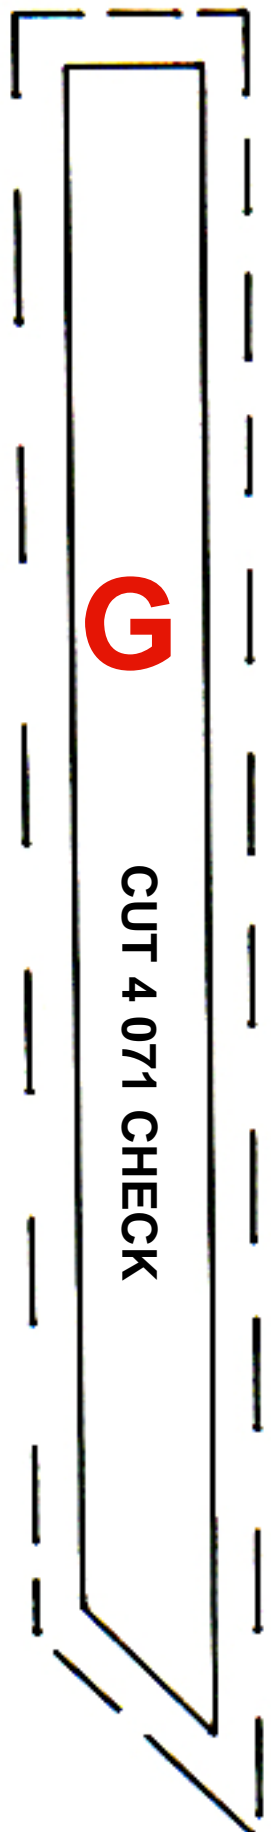

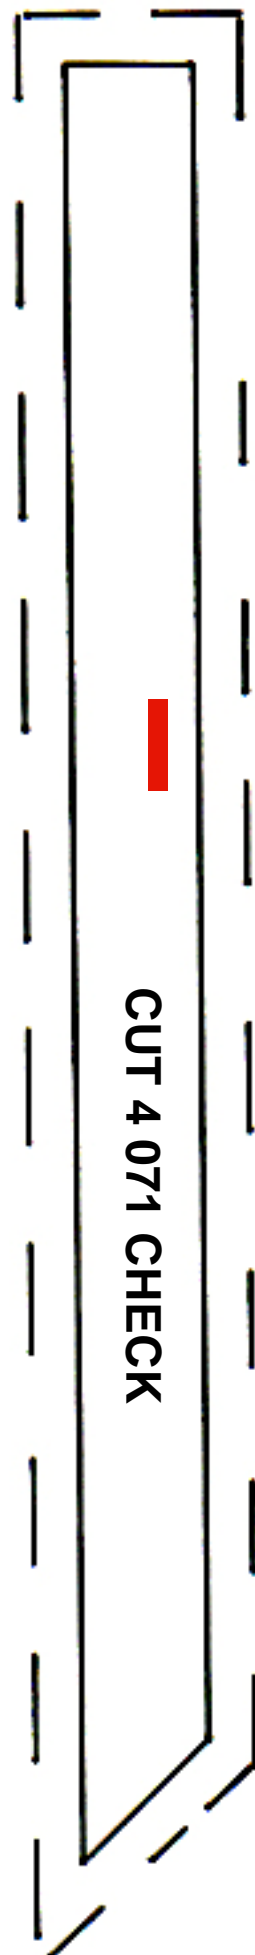

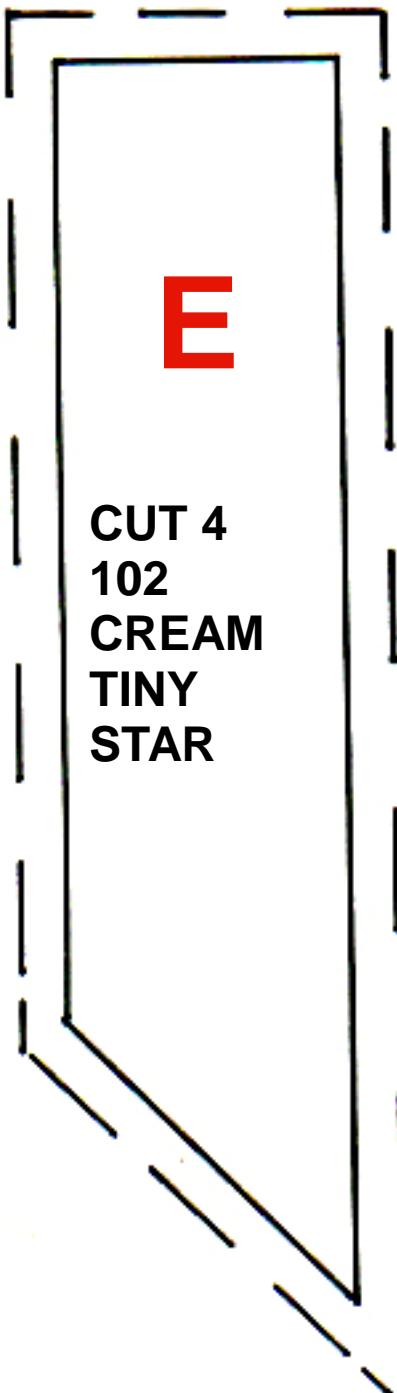

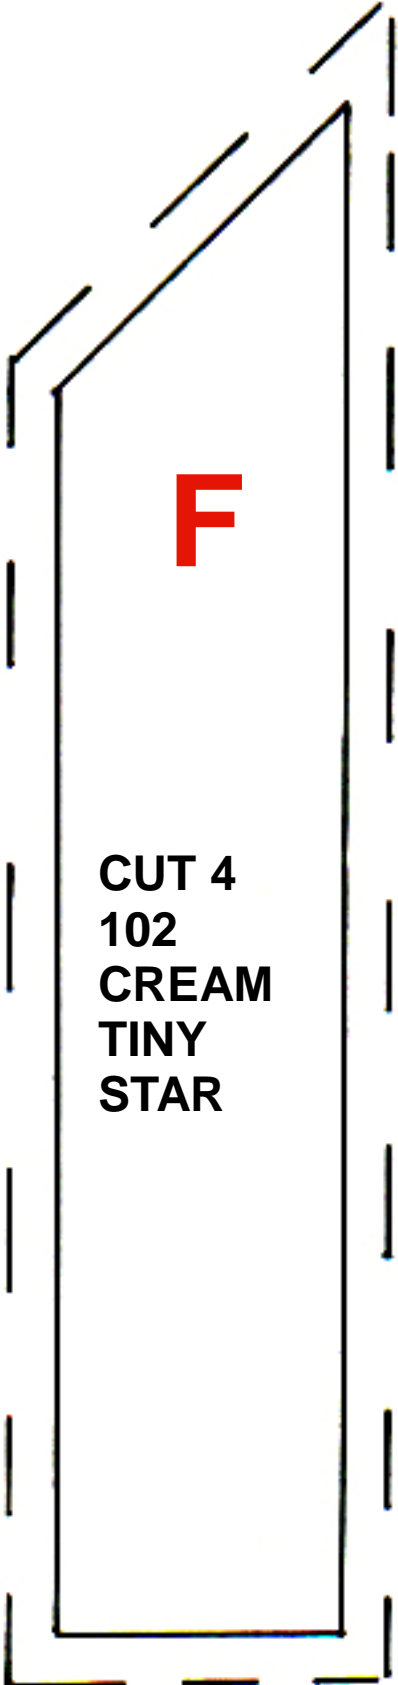

Layer with wadding and backing, quilt and bind as before.

Congratulations and well done!
